

healthy early years

Parent Survey

Personal, Social and Emotional Development	All of the time	Sometimes	Never	Don't know
Would you say that the setting has a warm, welcoming environment?				
Are you asked to contribute to new policies and are they available for you to read?				
Are you encouraged to be involved with your child's development & learning?				
Is information available to you on support services, ie, local groups?				
Does the setting give you regular updates on your child's progress?				
Are you aware of your child being allocated a key worker or person?				
Is your child encouraged to be responsible, caring of others and independent?				
Do you think your child feels safe & happy in the setting?				

Healthy eating	All of the time	Sometimes	Never	Don't know
Does the setting provide balanced meals and/or healthy snacks?				
Is information available from the setting on healthy eating, i.e; ideas for lunchboxes				
Does the setting encourage and promote breastfeeding?				
Does the setting organise any activities around health topics for parents to join in with, ie, family cookery sessions, health walks etc ?				
Are you encouraged to share details of your child's eating habits, eg allergies, feeding patterns, cultural provision?				

Physical activity	All of the time	Sometimes	Never	Don't know
Are you encouraged to walk to the setting where possible?				
Does your child get to play outside regularly at the setting?				
Does the setting give you information/ideas on family physical activities, ie local parks, sports events etc.?
